TECHNICAL & OPERATIONAL ADVANTAGES

3-in-1 Balanced Formulation

Contains premium tea/coffee extract, dairy whitener, and sugar in exact proportions. No additional ingredients needed.

Anti-Caking Technology

Micro-granulated formulation prevents moisture absorption and lump formation in humid pantry hopper environments.

Universal Machine Compatibility

Compatible with all 2-lane, 3-lane, 4-lane vending machines (Atlantis, Godrej, Nestle, Tea-Amico, etc.).

Consistent Cup Economics

Standardized 12-14g dosing per cup delivers consistent beverage strength, eliminating pantry pilferage and ingredient waste.
