TECHNICAL & OPERATIONAL ADVANTAGES

Food-Grade Stainless Steel Tanks

Corrosion-resistant SS 304 tanks ensure 100% pure, odor-free water and zero metallic taste.

High-Efficiency Tropicalized Compressor

Engineered for high ambient temperatures up to 45°C, delivering instant ice-cold water.

Child Safety Lock on Hot Faucet

Accidental burn protection mechanism ideal for office pantries, schools, and healthcare facilities.

Silent & Energy Efficient Operation

Eco-friendly R134a/R600a refrigerant with quiet vibration-damped compressor motor.
